

TRITON

Tracklight

The Triton tracklight offers powerful directional lighting with a clean, simple form. Made from diecast aluminum construction, the Triton tracklight features an integral driver and LED technology, and offers a field-replaceable lens for beam control

Power	10W
Lumen Output	700lm
Beam Angles	12° 24° 38°
Colour Temperature	2700K 3000K 4000K 5000K
CRI	80+ 90+

Finishes

UV Textured White

IP 20

3yr Warranty

Dimmable

General Specifications

Material | Powder Coated Aluminium

Lifetime | >50,000h L70

 **Colour Deviation** | SDCM≤3

 **Excellent thermal management**

Driver

Power Factor | >0.80 >0.90

240V Remote PC Dimmable Driver

Notes

- Different wattage can be provided upon request
- Customization for non-standard solutions in terms of light source, color, length and other specifications.

Adaptor

2 Wires Single-circuit 3 Wires Single-circuit 4 Wires 3 circuits

TRITON Tracklight

- Construction in die cast aluminium Powder Coated
- High power high lumen output LED
- High efficiency reflector optics
- Effective thermal management using aluminium casting
- Integral track adaptor with special track locking system to ensure proper mounting on track
